**ORDER**

The complainant alleged a justice of the peace denied him an opportunity to appear in defense of civil claims made against him, improperly entered a ruling while his case was on appeal, and failed to rule timely.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review legal issues. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: October 23, 2013.

I am again to get some answers. I was denied an appearance in front of the Judge. I want to know why?? On several occasions I filed motions to the courts requesting a pre-trial conference, as I have a right to appear in court and plead my case. This is stated the the Bill of Rights which I have included a copy for you. On Jan 9, 2012 I filed a motion with the courts requesting pretrial, this was filed 3 days prior to the pretrial hearing, copy enclosed. On Feb 6, 2012 I receive a order of the court that states Since appeal has been filed the Judge would not rule an any of my filings, the Appeal Judge would rule on them, and I have included a copy for you. On April 23, 2012, the motion I entered to the courts with my rights included was DENIED on April 23, 2012 by

Again this is in direct violation of my rights. The questions I am asking are as follows:

1. Why was I not given the opportunity to have an appearance in front of
2. If there is no error in the record, again why did I not get to appear in front of the Judge?
3. Why did the lower court send me the order stating the appeals court would rule on my filings, then she ruled on them anyway?
4. Why my submissions take more than 90 days to be ruled on by the judge?

I am seeking answers to these questions and as a US Citizen I have the right to have these questions answered. I am respectfully asking for direct answers to my questions.
