Judge _____ has attempted extreme dishonesty and corruptive conduct by fabricating his own story to deny me the 14th Amendment right to due process. I am attaching a full explanation already stated to the Court Administrator. I intended to change this judge, as you will read in the attached document. Unfortunately, just his name alone required it due to the name of the primary doctor ~~was~~ primarily responsible for my Mother's death. Sure enough it was appalling, the way he kept trying to put words in my mouth and fabricating a story, yet the Senior court clerk never →

uttered a word, except about stating two different types of coversheets. ^{which was not really relevant.} I had tried to repeatedly contact him by phone.

This Court has been involved in corruptive conduct in my cases since the initial episode in. I ~~do~~ mention names of those involved in the attached document, and I will need to file a Complaint on them also for corruptive very harmful conduct and procedures that the determined the Court was corrupted by my children's Father. Commis ^{and} and Judges, ^{and}.

The full explanation of this current issue is attached in a typed document addressed to the Court Administrator,
