We were in court just in _____ and we brought in (2) two letters from neighbors - yes judge did notice the letters but never even touch our letter or even looked.

Even since the begining nothing has been looked at by the judge. In fact many times we were told by her and her friends that they are good friends of the judges.

Many years ago her family was involved in _____ and they belong to _____ so they do know all the judges. So we don't have a chance in _____ to win.

Speaking of the letters she brought in
stuff that didn't pertain to the case and
the judge himself looked at the pictures
and put on the glasses that she had
brought to court that day. even tho
we informed the judge that it didn't
pertain to this case, he didn't
care. The judge stated he will
continue on
we have court again with
Judge because she wants a
change in pick-up kids - we don't have
any paper work because he don't
look at anything we bring anyway.
we have been going to T.C.D.C.
without lawyers since because
she's don't have one so ours said we
don't need one.
