ORDER

The complainant alleged she had been discriminated against because of her gender and that a superior court commissioner improperly prevented her from presenting evidence in her case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

The saddest part is your Arizona Justice System has Fail Me. My reason that I speak of the Arizona Justice system in terms of the a whole sector is how I went through every department of the Arizona State Justice as a Beautiful Woman that has been discriminated for my Gender, my Beauty or Appearance vs my Spouses, my familial status, my lack of education accreditation, my ambition, my loyalty to GOD and NATION. The saddest part is I look like a liar because I'm beautiful. The _____ has not helped me in any way shape or form. It has proves Money can let abusive man who has abused me for _____ move away over kidnapping my kids with out petition of relocation was filed. There was no petition to terminate my rights, no notice filed telling my kids were moving with instructions to stop me my children from be kidnapped. My rights to decide for my children we deprived by discrimination. The _____ judge has over exceeded her jurisdiction by telling me my evidence is not sufficient to support the acts of the continuous spousal abuse. At this point with the help of the woman who began disrupting his life since birth with abuse and neglect also known as his biological mother, a state cop, a deputy sheriff, child protective services, and his lawyer helped him take my life saving my _____ and move away with cutting off all ways for me to communicate but waiting for him to call from a blocked number.
