Judge:	No. 1056914835A

**ORDER**

The complainant alleged a superior court commissioner would not consider her evidence in defense against the continuation of an order of protection.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: February 12, 2014.

**COMPLAINT AGAINST A JUDGE**

**Name:** \_\_\_\_\_ **Judge's Name:** \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that you believe constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

On \_\_\_\_\_ am I feel I was not able to state my case. The judge made her decision solely off of text messages from the plaintiff that were non threatening. I have \_\_\_\_\_ of harassment and threats from the plaintiff she would not read or acknowledge. I also had a recording on my phone the plaintiff was going to hire a hit man to kill me for \_\_\_\_\_. She would not listen to that as well. Everything the plaintiff claimed in his petition was not verified by the courts and was not true. I have never hurt or neglected my \_\_\_\_\_. I cannot see \_\_\_\_\_ or talk to \_\_\_\_\_ because the \_\_\_\_\_ favored the complaint on be half of the Plaintiff. The plaintiff is unemployed has serious mental issues(Bi-polar). He no income. He is SMI and current has a case worker and is part of \_\_\_\_\_. He does not take his medication and is very manic and verbally abusive towards me and the \_\_\_\_\_. He is a drug user and cannot provide a clean urinalysis. He abuses prescription pills Xanax. I have been diagnosed with \_\_\_\_\_ by Dr \_\_\_\_\_ due to the verbal abuse by the plaintiff, this has been going on for \_\_\_\_\_. I am on medication for my depression and I am stabilized. I am employed as well at the same employer for \_\_\_\_\_. I can support and care for \_\_\_\_\_ which the plaintiff cannot care for the emotionally or monetarily. I would like to see this case reviewed and see that I am given a fair chance to tell my side of the case.

The plaintiff has shown aggressive behavior in the past. There was a restraining order against him for strangling \_\_\_\_\_ and he is also a felon. He stated on the restraining order against me that he never had a restraining order which was a lie. I am not a felon or have I committed any type of crime. I am stable and need fair change to state my case in front of another judge at a another court house preferably down town justice courts.
