The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review legal issues. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

To whom it may concern...

I'm having trouble getting the supplies that I need in order to defend myself in my simple case here in _____ County. I'm being forced to have Advisory Counsel whose Advice I don't need nor want, nor getting. I feel as though Judge _____ is forcing me to have advisory counsel because she knows that the jail is not set up to house a proper. They have taken my work product and I can't watch my DVD of my "illegal traffic stop". I am not being given access to the court to file motions or anything. I'm requesting a copy of the Judicial Canons if possible. Since I've been a victim of False arrest due to a defective warrant, then the illegal search turned into "Money Laundering" and now I'm fighting a criminal case and a civil forfeiture alone. It's very tiring.

every time I ask for supplies the Judge says "talk to your advisory." I can't even call my advisory because her # is blocked from the jail. lol.
 COUNTY IS THE WEIRDEST PLACE
 THAT I'VE EVER SEEN. Please & Thanks
