COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-011

Judge:	No. 1094814852A
Complainant:	No. 1094814852B

ORDER

The complainant alleged a court of appeals judge acted unethically in denying his motion to reconsider the prior denial of his motion to extend the time to file a pro per brief.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's ruling. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: May 14, 2014.
