I \_\_\_\_\_ Was given a speeding citation on or about \_\_\_\_\_ on \_\_\_\_\_

Means of citation was photo radar.

Approximately a few days later I went to \_\_\_\_\_ municipal court to inquire what was the procedure of dealing with this matter. The window clerk advised me that I had a choice pay the court \_\_\_\_\_ or pay a \_\_\_\_\_ to a driving school, she asked me if the image in the photo was me or not? My answer was I am guilty of the violation yes it is me in the photo. She then gave me some papers to fill out and find a school in the internet, and when I completed the course that would be the end of it.

On or about \_\_\_\_\_ I went to \_\_\_\_\_ court to get an extension due to some financial problems I was going through. They gave me a \_\_\_\_\_ extension of \_\_\_\_\_ start making payments of \_\_\_\_\_ a month and ending \_\_\_\_\_ . Which makes it approximately paying off on approximately on \_\_\_\_\_ pay off \_\_\_\_\_

On \_\_\_\_\_ I went again to obtain another extension due to money problems. On this particular day the window clerk informed that I could not attend driving school I had to pay the court because I had pleaded guilty therefore was denied a extension payment plan. I question the clerk where did she get that I was paying the court instead going to driving school course. Her answer was you stated that you were guilty, my answer of being guilty that I did speed and the image of photo was me that made me guilty not stating that I was paying court..

The following occurrences have some contradictions on behalf of \_\_\_\_\_ and \_\_\_\_\_ in \_\_\_\_\_

1. I did not complete driver defensive course before \_\_\_\_\_
2. I did not pay court fine of \_\_\_\_\_ dollars before date line \_\_\_\_\_
3. I failed to appear in traffic court ( never mentioned it or date of it ) see MVD document \_\_\_\_\_
4. In addition \_\_\_\_\_ tack extra charges of \_\_\_\_\_ on my fine for what unknown why. documentation proves that this is not the first time.
5. I never saw or went before the judge never, all he did was just make notes on my Petition.
6. In exhibit G it states that I have \_\_\_\_\_ days to make payment in full from the date of \_\_\_\_\_ . But he then submits paper work for suspension of license before the \_\_\_\_\_ days are up to Motor Vehicle Department.
7. So the three inconsistencies are very uncertain just what the court is doing in court.

Conclusion: As a \_\_\_\_\_ I made some inquiries on \_\_\_\_\_ and founded out that he is a person that makes his own rules just because he is the judge there. The following violation that \_\_\_\_\_ has made are he \_\_\_\_\_ his own use he than got caught stated that he was going to pay it back. e.g. Bought tires for his personal car, took a cat to a veterinarian. The aforementioned was obtain from a \_\_\_\_\_ named \_\_\_\_\_

I know you cannot reverse his decision in this matter but just informing you of the caliber of Judge \_\_\_\_\_ is running the show in \_\_\_\_\_ court.

I also had hire a attorney but he could not get in getting a motion, instead his firm were denied two or three times for a motion, judge states in one of his notes this matter has been heard therefore motion denied..

I will persue this matter in collecting the illegal money that was charge to me .Judge \_\_\_\_\_ continues to overcharge people when \_\_\_\_\_ citation are given. I firmly believe in fair justice for everyone, this matter is un-call for...

The furthermore there is thousands of dollars that need to be reimbursed from City Court that were over charge in the same scenario as my,

1. Again the following infraction that \_\_\_\_\_ imposed on me are;
2. Was coarse in paying for something that has nothing to do with traffic, (not in my case nowhere)
3. Denied me to attend defensive driving school.
4. He violated his rule in the time frame he gave in paying the for the my school, instead submitted premature paper work for driver license to be suspended with motor vehicle department.

And last \_\_\_\_\_, denied my attorneys three times in submitting a motion .He (judge) stated that he had heard this case several times and did not wanted to hear it. and that was final.
