**ORDER**

The complainant alleged a superior court judge has improperly declined to consider her motions and dismissed her lawsuit.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review legal issues. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: March 5, 2014.

This judge has dismissed the case, doesn't answer motions on time, answer motions, confused me with the statement "File with the clerk of court" I didn't have filing fee so I sent in my complaint and it was granted.

- (1) The judge documents keep saying I must file with the clerk - I mail all motions to the clerk of courts, so I don't understand what judge means
- (2) I filed motions courts received still haven't received courts answer
- (3) Judge took part of my complaint to see if I would be able to proceed and answers to the defendants motions and rejected
- (4) The subpoenas in question are phone call detail record, arbitrator court received
- (5) I sent copies of my answers to defendants to clerk of courts
- (6) I have tried many ways to file evidence + motions to courts but judge states different  
This judge has me confused, I am doing this lawsuit by proper procedure and keep coming up short  
I pray you look into this matter and let me know your findings. My evidence always
