Judge:	No1097714875A
Complainant:	No1097714875B

ORDER

The complainant alleged that a superior court commissioner improperly presided over her husband's case even though she was the prosecutor in his original case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: May 14, 2014.
