This judge has been conducting himself in a very unbecoming and unlawful manner for sometime. He has a facebook page where he continually talks about drinking and partying. This is not in my eyes or any of the citizens of arizona the way a judge should conduct himself. Another question that has come to the people's mind is how can someone who is sworn to uphold + pass down the law be a unlawful man himself. I am referring to him being a major

+ A spoke with someone yesterday a previous friend of this judge who knows who he buys his stuff from. There are many things about this judge that needs to be looked into and dealt with he is ~~not~~ a menace to the judicial system. If he can pass down demands of probation + drug testing why can't he be tested. This seems to be contrary to what he is sworn to do as a judge. I have retained an attorney

There is much more to that situation if the Judicial Commission would have looked into that ordeal by getting the EMS, DPS, police reports.

They are much more graphic than the accounts of the situation reported to the commission by Judge and Judge.

If you launched an official investigation on the judicial system here in County you would find things that would probably astound you in so many ways. I have volunteered to several citizens ^{that} I have talked to that have been in ^{volunteered} ~~volunteered~~ ^{pro and pro} within the system and feel they have been done wrong. Removal of police officers has been done. The chief of police has resigned and the officers left are as crooked as the rest if not worse. One of them is currently being investigated for having sex in the restroom of the local circle. He is a married man and he was on duty in uniform when this allegedly happen.

As I said before I have vowed to expose all the injustice that is and has been done in this country.

The things that happen and go on in this country are unreal. As far as I know the "good ole boy system" went out with the camp brothers not here it still goes on.

Please help the citizens of ~~to~~ as there has been so many people affected by the misjustice here.
