I am filing a complaint against \_\_\_\_\_ County Court. 2 me

On \_\_\_\_\_, after waiting several months to plead my case to him in \_\_\_\_\_ Court, Judge \_\_\_\_\_ refused to allow me to speak. Myself & my father have been suffering immensely over the past \_\_\_\_\_ months due to issues \_\_\_\_\_ & he making out of the school district. On \_\_\_\_\_ Judge \_\_\_\_\_ ruled that the same issue then did warrant a schedule change \_\_\_\_\_ father having kids every other week end instead of week on/week off, but this time he refused to hear anything from me or why I was requesting the change back. There have been major problems/stress for me \_\_\_\_\_ my \_\_\_\_\_ is having panic attacks, is depressed & is confused + upset too. It is very complicated + I deserved a few minutes to explain my requests.

On \_\_\_\_\_ Judge \_\_\_\_\_ came to the bench + immediately told me he only wants to know what I want but "NO WHY'S". When I told him I want the schedule changed back to where father has the kids every other week-end, he said "I'm not doing that." "What else do you want?" He asked him for \_\_\_\_\_ minutes to read a short summary of what I was asking for + why + he said "NO" when I opened my mouth to start to explain + argue my case of why it should be changed, he cut me off & said "I just told you I don't want to know why" + "you're doing it anyway." "STOP." "STOP."

Judge \_\_\_\_\_ was extremely rude to me, sarcastic, belittling, & denied me my right to plead my case that he paid Court Fees to do! As a consequence, he denied a trial date & denied the request for the schedule change without any information. Then he also refused to address any of the other financial items on my agenda without any consideration.

Judge \_\_\_\_\_ was friendly & joking to the respondent & by denying to hear any of my issues, ruled 100% in favor of the respondent. Again NO information. Showed extreme bias in this case. I

Judge \_\_\_\_\_ is involved in multiple "mens issues" forums/blogs online & I believe he was clearly biased in his behavior where some unbiased position should exist. Me & my family are paying the price.

We want, need & deserve an opportunity to present my case, argue my issues & to be heard. As an elected public servant, Judge \_\_\_\_\_ competently failed in his role to be fair, unbiased & to treat me with common decency. He violated my rights to be heard & defend/advocate for my at fairness, was rude & condescending & failed to do his job as a public service official. Failed at any attempt.
