ORDER

The complainant alleged a superior court judge had failed to rule on a motion he filed.

The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Judge's Name: _____

Date: _____

U
 My complaint is that, I have suffered severely in both of
 my cases before this judge _____ whom allowed
 me to be called a _____ and _____ inappropriately on
 my _____ by my assigned private investigator.
 I left several voice messages on _____ voice mail
 in addition to filing several motions regarding the incident.
 The incident took place at the _____ Jail, and
 because he was not an employee of _____ I was told to
 report it to the court, so I contacted the _____ Director
 _____ who made the appointment at the _____ who
 is contracted through that office, he told me that I
 must inform the court in order to get help and to address
 the issue, however I ask him based on the circumstances
 he should have the authority to remove this _____ off
 my case, he told me however only the judge
 could remove him, I file motions requesting emergency
 hearings to address the issue of being called a _____ and
 this judge not only continue to ignore
 the issue, but kept the _____ that
 on my case, I'm a pro per inmate and have been
 constantly bullied by this judge, at the least he had a
 legal and ethical obligation to address this allegations
 and remove this _____ off my case and assigned
 me a new one. PJC Commission can review all motions

(Attach additional sheets as needed.)

All I'm asking is for the right thing to be done, hold this
Judge and those involved accountable, this was humiliating, oppressive
and downright degrading, for some of a judicial whom we
trust to do the right thing has failed and abused his position
of power, by retaliating, and not properly providing redress to
the concerns. My only evidence is, the Motions I filed, which
will tell a true story that cannot simply be justified. I
fear this Judge will continue to violate my rights because of my ^{concerns} ~~want~~.

filed on _____, and the _____

_____ and will be shocked at what you see, and please read the Motions, and your conclusion will be he had to, at the minimum he had a legal obligation to address the issue, and should have never been ignored or derided under no circumstances.

And on _____ at the conclusion of a hearing held in _____ court room, _____ my "private" _____ me out loud while the Judge was present and heard it _____ did absolutely nothing.

As of the present date this same _____ is still assigned to my case, how _____ why am I being treated different from this Judge, these are serious things that took place and there is no way for this Judge to justify and his ignoring of something of this magnitude.

This Judge has prejudiced me with my cases, bullying me, and clearly not even reading motions just denying them because he can. He even violated my rights by denying my witness list, never ever heard _____ that happening.

I would like to be interviewed and take a polygraph regarding the issue, this is must be address and a _____ investigation needs to take place. I have also filed a notice of claim on this Judge, please review the letters, phone calls, and motions. Thank You
