**ORDER**

The complainant alleged that a superior court judge denied her a fair trial, refused to allow her witnesses to testify, prejudged her case, and was biased.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

The most recent court hearing was

my attorney was not properly representing

The \_\_\_\_\_ has
