**ORDER**

The complainant alleged that a superior court judge refused to provide him with discovery.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

I

Date of Birth is writting this letter  
on my behalf About my case

I'm having issues here in County Courts. Judge  
( Court Judge) & the Attorney

I was assigned, too! Attorneys Name, is

I've Been Denied my full Discovery

about my case. Why? I Do not know why?!? I've Been  
tring to get copy's of my Discovery. I will not accept  
any Jury to be forced upon me in the day or days of my  
trial (which I start Trial without

having knowlege of what specific Evidence the District  
Attorney has on my case. It will most likely Result in a  
mistrial. At this point I'm unaware of whats going on with  
my case and feel we may have a Conflict of interest. I  
am Entitled to a full and Complete Discovery, which is and  
has been Denied to me, by both Counsels (Judge & Attorney).

I will not allow myself to be manipulated or forced into  
signing for a stipulation to without  
me knowing of my discovery first. I don't understand whats

going on with my case. The attorney that was a sign  
to me ain't telling me nothing about  
my case. Would like to be Appointed to a new counsel  
Attorney. Thank you. Can you Accept and agree that I  
have more than just a letter sent to me by Attorney

on. As a Defendant here in  
Arizona, I am asking for access to my Discovery.  
So, I can discuss it with an Attorney together. You  
cant expect me to make a decision on 5, 10, 50, or 100  
years with no knowledge of my case. I have less than a  
month to my trial date and I have no  
way on how to defend myself at trial. I'm advising you  
State Bar of my issues and situation I have here in  
Arizona Courts. I have stated clearly on Record  
about my Discovery and Judge denied me copys of my full  
discovery. So I will state on Record once again about my  
situation before trial start. I have no way of defense. Under-  
stand that I do not intend to give the courts a difficult time, but  
but I need more information about my case. Because these information  
will decide where I spend the next many years of my life. That's  
all I have to say for now, But I ask you to give this letter  
some thought.

Thank you for your time.
