ORDER

The complainant alleged a pro tem superior court judge was biased in a family court case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

Hi! My name is

I am Mom
 grandma to

Bill of
 Kids.

Kids + Step

I have stood by and
 watched the abuse by her
 ex husbands her ex mother
 in law and father in law
 and his brothers + sisters
 and now the JUDGE

And I am not going
 to stand by and watch
 it anymore!

I am sorry if I miss
 spell words or if my writing
 is bad I have had a few brain
 surgeries and have been sick
 so its hard for me but I
 will try hard OK

My daughter made
 a complaint to someone

but by doing so she
has now lost even more
of her custody and can't
even have her kids for a
over night visit? So
she is assured to say anything
else so please don't let
them take complete custody
I wrote

all new each other in
~~school~~ school.
were best friends and did
every thing together, But
when _____ started dating
_____ they stopped liking
she wasn't good enough
for _____ My now Ex
husband and I was friends
of there parents also tell
them to _____
_____ and there got married
_____ Mom put
her nose in everything

she even wanted to
no when they had sex!

When they started having
kids - could do no right
She would grab the baby away
and tell she was breast
feeding wrong. So this shows
you kind of what she went
through!

Fast forward. wanted
to move away from his parents
She got to where when they
were around she would
just let them take over
she got tired of being put
down so they said she was
a detached parent But
she isn't!

She was just tired of
being put down!

They went to court to
get divorced in JUDGE
Court we were told we
couldn't talk out in the

to all about the case
we were all waiting
to testify. But
lawyer took up all the
time and we didn't get
to! He objected to
everything and she only
got 15 min of time to
present her case! And
her lawyer choked and
did a poor job. She had
paid several lawyers
and Judge. Still
through the BOOK at
her!

abducted
the kids for days and
told them she was dead
they cried & cried. When
she finally got to see
them they even more
when she brought this to
the judge she said "these
things happen" Now
if my daughter did this

she would have gone to
JAIL if you look over
the transcripts you will see
all kinds of these things have
happen and she hasn't done
a thing! etc etc

married the
Court Clerk's son. So
the JUDGE is BIASED

any put in
a motion for the judge
to step aside and she said
she isn't Bias but what
do you call it

goes against
every court order! When
she is supposed to have
court ordered visitation
if he doesn't want them
to go they don't go!

At Christmas she was
supposed to have them for
Xmas break. They were
going to stay at my house
