ORDER

The complainant alleged that a superior court commissioner violated his due process rights.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

As I have not been informed of the cause and nature of an accusation, I simply do not understand the cause and nature of the "accusation" was referring to on

of with regard to the elements of personal jurisdiction venue. At this time I am unable to raise a meaningful defense given the current nuisance(s) I am trying to abate but am involuntarily forced into servitude for. I have yet to receive any fair and just compensation for my clothes that were violently removed from my body against my will by "them".

I would like to point out that from the day I was booked

I was not given a chance to speak with a judge once! This is a violation of my victims rights (see AZ Const. Art. 2, Sec. 2.1) and a disgrace to me

and many-many other friends and forefathers of mine that fought and still fight today to establish justice, ensure tranquility, promote General Welfare and provide for the common defence + secure our blessings of liberty. Keep this in mind... While dim witted lazy fools are getting rich treading on God's children with the flick of a wrist while being an embarrassment to "We the people"...

(Keep serving for your paper idols perhaps they'll help you. As for me... Matthew 6:24 Exodus 20:4-7)

Some 5+ Billion of us are exposed to bloodshed on account of their dark little wrist flicks. Let me shed some light on the situation. While these "people" sit on their asses getting fat + rich at other humans expenses, 5+ Billion well trained + highly proficient men and women are acting "physically" + with "force" as a means to do the exact opposite of what the "injust" are doing to "Us", "We the People". One morning unjust dim wits will wake up and realize ignorance is no excuse when there is 5+ Billion of us waking them up in the middle of the night demanding that they hand over there pens + keyboards because they were instruments in the violent crimes of killing, kidnapping, holding ransom and imprisoning well over 10 Billion of "Us" InJustly. Thank you for this opportunity I have to remind you of the Declaration of Independence "it is the Peoples Right to Alter or Abolish the Government when it becomes corrupt..."
