

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-198

Judge:

Complainant:

ORDER

The complainant alleged that a justice of the peace abused his power of contempt and that court staff have sabotaged his cases.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Also, the commission does not have jurisdiction over complaints about the conduct of court staff. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.
