COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-217

Judge:

Complainant:

ORDER

The complainant alleged a municipal court judge was improperly failing to respond to a letter he had sent her on his son's behalf.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of any of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

I don't know the best source to turn to for this needed information but you, come the closest to fulfilling what our Constitution, the Nation's motto Justice for All, stands for. Hopefully the Justice I'm looking for will come before the end of my life. Because I'm an old war veteran who will soon turn [redacted] and I'm getting tired of being our [redacted] Its time I gave all this [redacted] who has been denied for more than an unreasonable number of years the right to drive by Judge [redacted] Who precise, in the [redacted] Courts and who, has unjustly, abused her authority, by holding my [redacted] case in limbo. [redacted] has met all her conditions restricting [redacted] from the privilege to drive, has the audacity to ignore the letter I have written her on this matter a number of time but my pleas have gone completely unheard.

The illegals have been given more than an open door welcome by our Justice System without a second thought that they are violators. Our family roots go back to [redacted] before it became a State. Served in the war when my country called, [redacted] is not a criminal who also get more compassion and more often than none get probation. Thanks for listening to this old guy who is still trying to fight for justice causes.
