ORDER

The complainant alleged that a pro tem justice of the peace was incompetent and caused substantial and unnecessary delays in multiple cases.

The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

This judge was so blatantly incapable of doing his job that day, that a whole day of court room work got out of there by backing up the whole judicial system, causing a whole room of plaintiffs another missed day of work thus productivity and allowing defendants another day. I was appalled as a lay-person as it was no money or sweat of my brow to afford these free-loaders another day. In the case of the _____ it cost them _____ for each _____ In my case it cost me _____ of being _____, as this is my _____ and I'm living with my blind, not paying a dime, stealing me every day that goes by. Even the office was told even though they professionally tried not to show it. WHO MAKES THIS DECISIONS???
