**ORDER**

The complainant alleged a superior court commissioner ignored the evidence in a case, resulting in an unfair child support order.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officer's ruling. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

This Judge made a ruling not based on facts with evidence but based on her biases.  
She asked \_\_\_\_\_ during the hearing what his salary was, he answered,  
but she used a figure twice as much as what he stated in court on the child  
support worksheet. \_\_\_\_\_ filed a Motion for Reconsideration with his pay  
Statements attached. \_\_\_\_\_ denied the motion with no explanation. She did  
not require proof or any kind of documentation from the other side  
and ignored the salary documents submitted by \_\_\_\_\_ When  
consulted a lawyer, She said, "You got screwed." She went on to say that  
\_\_\_\_\_ is known to be very biased. My \_\_\_\_\_ paid for the consultation and  
was willing to pay for the appeal, but the lawyer indicated that it would be a  
waste of time and money because \_\_\_\_\_ is a very biased judge and  
the lawyer and \_\_\_\_\_ don't see eye to eye and this would work against his  
case.

I would have filed this complaint earlier but I didn't know about this option.  
Also based on \_\_\_\_\_ conduct, I fear some form of retaliation or  
punishment if any related child support modification cases by \_\_\_\_\_ come  
before this judge. I don't want this to happen to someone else, and I want to  
be able to tell \_\_\_\_\_ that in the United States, judges can't do  
whatever they want according to their biases and get away with it, like they  
do in third world countries. Thank you.
