Then after the relation Mr. was made to re approach Judge and
hand over a response to a petition that ended in a dismissal with prejudice, Mr. stating
that this person hurt me and when Judge asked what Mr. name was Mr.
told Judge a name Mr. can't even remember because
has injected Mr. so many times then & since. Mr. handed over the very
decision that was sent to him in his own case. Page4

Back Ground

Mr. because of a wide veracity of forced actions may have prompted the
dismissal with prejudice in case because with prejudice are such strong
words and do not fit the actual situation that they where used.
Mr. was in front of Judge on a different occasion after a
incident, Mr. would call it an altercation, one of hundreds, this one when
set up Mr. at house when Mr. did not do one single

thing out of free will except ask for spare change from Judge at house. Mr. was not at house out of free will but was forced to be there. This is a different kind of force one that is built on cognitive diluting forced injections of Sodium threats, and assaults. Mr. was forced to go downtown and comeback to house. When downtown, Mr. was under threats made to look like he smoked something on camera that another camera guy was taping the first camera guy. at that point had his dirty Police friends', knows quite a few dirty Police and is a dirty Police Officer himself, arrest Mr. for no reason at all when Mr. was told to wait in a room. Mr. was injected with while in handcuffs by This transpired in front Judge but only in the blind sided perceptive that a criminalistic bully shows what they staged, in this case, the nerd/ victim Mr. was in front him after the arrest. This was staged, forced. threatened for Mr. to not say anything to the Judge of what actually transpired and it is still hard to explain the fear one has in his head after the effects and threats. also made multiple attorneys' be ineffective and betriended other judges with pernicious intentions. When Judge sentenced Mr. in the past occurrence it was for or so. Mr. upon release was approached by the main arresting officer of the unlawful false set up arrest that occurred when Mr. was unwillingly at house. The officer injected Mr.

This needs to be explained with the fact that a long time previous Mr. began being persecuted by a family and their friends that organized life insurance murders including Mr. father which Mr. witnessed in and Mr. mother is wrongly in prison for because Mr. was not allowed to remember due to hundreds of forced

injections. This family, the family started persecuting Mr.
because Mr. reported when of that family Mr.
with two Police Officers present, one that held a gun. They have injected Mr. with
chips that he could not even remember that they where under his skin because of
the injections. They have stalked Mr. to every single person he met and every single
place that he went for years trying to make him seem homosexual, or they would rape
them or worst through forced injections of which dilute cognitive function
and erases memories for a long time, and through threats they forced Mr. to display a
wrong moral character that is not his. Mr. has never been at the
residence willingly. Mr. has been similarly been made to approach four different
and four different to bring to the residence to introduce
the to black friends of that are of substantial negative character,
gang members that were going to kill Mr. for a but Mr. told them that
was going to be making a lot of money killing people for life insurance
money and they "spared" his life but have assisted and his friends in the
systematic stalking persecution of Mr. for years. bully turned
criminal turned dirty cop, the popular idiot bully carried over his high school popularity
contest tactics and turned it into a defamation of Mr. Mr. wants to inform that
the house that Judge and his clerk attend sexual functions is of that
organized life insurance murders, a list of over , as Mr. knows about murders
that he has been able to remember but mail fraud is currently occurring to prevent
communication to his mother so she cannot not appeal on a murder charge of the murder of
Mr. father that Mr. witnessed a friend of named do it

and he was persecuted so severely that he could not remember to make a showing at the trial. They have organized murders and to make themselves seem better they have even made Mr. on video look like he was responsible for of every woman around him including his Judge after he was forced to hand a water that contained date drugs. Mr. has been persecuted the family that has forced him to do things on camera made to look voluntary. People will say or do a lot to avoid pain to them selves and loved ones.

Complaint

Judge was sent a Motion to Reconsider in that was ignored due to actual prejudice false as it may be or for other reasons. Mr. remembers the name Judges from when Mr. was sentenced a long time ago where he basically talked the Judge into a Judge in the current situation, befriended with pernicious intentions and that was after Mr. was made to have a relation made to look willing to/with the Judge. Judge was sent a Motion to Reconsider in that was ignored due to actual prejudice, false as it may be or for other reasons. But Mr. did not remember the Judge when Mr. was being sentenced for the shoplifting in but at some point in time Mr. then again basically was forced, the force or threats not on the Judges behalf to have a relation with Judge Injections followed so Mr. would not remember what had transpired. There was a Clerk/ court staffer that video taped this. Mr. was made to make the approach/ offer at a house that he was brought to that he has never been there willingly but only to demean his character and personality, done by

Then after the relation Mr. was made to re approach Judge

and hand over a response to a petition that ended in a dismissal with prejudice, Mr.

stating that "This person hurt me", and when Judge asked what Mr. name

was Mr. told Judge a name Mr. can't even remember because

has injected Mr. so many times then & since. Mr. handed over the

very decision that was sent to him in his own case. This was orchestrated by

This was done under duress of threats, assaults, and injections of by

So the decision for the Petition for Review in was a prejudgment

pre drafted pernicious plot that Mr. was made to say that this guy hurt me speaking of

a name on a piece of paper that had his own name on it. This is the sadistic result of a man

that has persecuted Mr. unrelentlessly. usually bribes people, but to

judges uses a different approach, a forced action to display a wrong moral

character and lie about his own character bully violent threats approach. No surprise as in

during the testing he scored a farmer/ cop and Mr. scored

Scientist/doctor, which even then forced Mr. to tell the test facilitator

that they switched form so would have a better test result sheet to show his

parent then forced Mr. to show his parents the low score test sheet when it wasn't his

then another injection. But this behavior escalated, rapes, murders, shootings.

and his black friends and family are responsible for the and

shootings. His sister, has murdered. smart as a sack of

hammers but social able and sex parties at his house. Criminal. Making lawyers ineffective,

in example Ms. in the case which the Judge did not even

write the decision to the Petition for The detainment to arrest in

itself was done by a man that is friends that when Mr.
