**ORDER**

The complainant alleged a superior court judge presided over a flawed trial and had improperly refused to appoint him counsel to pursue post-conviction relief and obtain a trial before a jury.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Commission On Judicial Conduct

Re: A complaint against Judge \_\_\_\_\_ presiding judge of the \_\_\_\_\_ Court of the State of Arizona in and for the county of \_\_\_\_\_. Please refer to case \_\_\_\_\_

I did not commit any crimes. I am not mentally ill. Judge \_\_\_\_\_ has ignored the facts and chosen to support the unsubstantiated opinions of psychiatrists. During the trial phase of my case, Judge \_\_\_\_\_ ignored the fact that persons making statements in relation to the case contradicted themselves and lied to the court. Furthermore, Judge \_\_\_\_\_ has declined to address the issues of officers of her court withholding evidence that would support my claim that I acted within the law when I shot the \_\_\_\_\_ in self-defense. Judge \_\_\_\_\_ has refused to act on evidence that demonstrates the psychiatrists \_\_\_\_\_ and \_\_\_\_\_ conspired together, and lied to the court in the evaluations they were commissioned to perform in relation to this case.

Judge \_\_\_\_\_ has declined to address my requests for the appointment of counsel to pursue a rule 32 and obtain a trial before a jury. Repeatedly, Judge \_\_\_\_\_ has demonstrated a deliberate indifference to my rights to due process. She has ignored my reports of attorney misconduct and refused to take steps to preserve evidence that would have supported a defense in this matter.

I ask that the Commission on Judicial Conduct seal and protect the entire records of the cases numbered \_\_\_\_\_ and \_\_\_\_\_ in the \_\_\_\_\_ Court for \_\_\_\_\_ County. I also beg the Commission to appoint counsel to represent and protect my interests in pursuit of an administrative review of this case, and an appeal to the Governor for a pardon.

I ask that this matter not be remanded to Judge \_\_\_\_\_ court. Her marked bias cannot be undone. A fair hearing is impossible in her court. I ask for a change of venue.

I ask that the Commission on Judicial Conduct recognize that Judge \_\_\_\_\_ has violated my rights to due process and betrayed her oath to abide by the tenants of the Constitution of the United States of America.

The Way is Life and Love,
