COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-279

**ORDER**

A justice of the peace is alleged to have failed to disqualify himself due to a conflict of interest.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. After learning of the ethics complaint, the judge recused himself and transferred the case. The commission approved sending the judge a private advisory letter to remind him that he is not required to recuse himself merely because an ethics complaint has been filed. The complaint is dismissed pursuant to Rules 16(b) and 23(a).

FOR REACHES  
I've sprayed out out disks  
ponic Acid, the company only  
sprayed twice, as I've promised  
to come back refused. Crime

My neighbor got 2 free  
months as he complained to  
main office NO REPAIRS WERE

- I have been mistreated by a Judge who is completely incompetent. HAS NO CLUE what he is doing. Bending the Law and Rules to suit his own needs. Someone went before the judge to leave the apt out of all water & air to her apartment while she paid rent then refused. She was scorned by the judge and ignored. This is wrong and he

HAS NO BUSINESS evicting people from Apartments he owns. He IS A SLUM Lord and needs to be Kicked out of his job.

The people hired him to rule fair + just not to HAVE NO COMPASSION.

He is NOT fit to rule or evict me when I WAS suing the Apartment Complex first and told him SO OVER AND OVER.
