**ORDER**

The complainant alleged a superior court judge promised her oral argument following his review of material she submitted to the court, but never followed through on that promise.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

(son't) before this I sent a copy of oral argument/ as proof of what never happened I found out my attorney who quit this case last / his license AND DEFENDANT'S attorney who quit DEFENDANT finding out his (DEFENDANT) client had misused his representation.

To loose ur'e only child and then to be conned not only by the licensed INVESTIGATOR BUT A CORRUPT JUDGE who favors the CRIMINAL is beyond devastating.

In this process I AND the other PARENTS who were swindle by DEFENDANT AND this JUDGE HAVE lost everything. DEFENDANT HAS INTIMIDATED EVERYONE who has been involved with my case against him because of the corruption backing him up.
