The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the hearing officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

AZ Commission on Judicial Conduct,

Back on vet, case no. I had a case at the of the clinic. This miserable vet murdered my cat, court against a vs on a whim. When I tried to sue her through judge, an court, this of AWARDED HER AN JUDGEMENT, AGAINST ME, SHE WAS REWARDED FOR KILLING MY CAT!!!! He said my cat had no value. How stupid and retarded does it get??? Talk about something of absolutely no value whatsoever!!! How on Earth did this pathetic excuse for a judge ever get a position doing anything beyond of This judge should get an academy award for ! I was already the victim when this vet killed my cat and is of course, completely unaccountable, now I am victimized twice!!! For I was afraid to answer the door for fear it was a collection agency!

If you were walking down the street and someone hit you over the head with a club, I WOULD BE WILLING TO BET THIS INCOMPETANT MORON OF A JUDGE WOULD AWARD THE PERSON WHO CLOBBERED YOU WITH A SMALL FORTUNE!!! This should not have the right to judge anything or anyone! I feel sorry for anyone else unfortunite enough to have to go before him! THIS WORTHLESS SHOULD BE FIRED AS OF YESTERDAY!!!
