**ORDER**

The complainant alleged a superior court judge made improper rulings and was biased toward him in a family law matter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

**COMPLAINT AGAINST A JUDGE**

**Name:** \_\_\_\_\_ **Judge's Name:** \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I found Judge \_\_\_\_\_ to be rude, disrespectful, arrogant, inconsiderate and used her authority in an attempt to intimidate me, \_\_\_\_\_ which resulted in my not wanting to say anything in my defense or for the betterment of the \_\_\_\_\_ in which this hearing was initiated for. Judge \_\_\_\_\_ decided that the \_\_\_\_\_ could not stay with me after asking the \_\_\_\_\_ mother only a couple questions and not taking into account her documented lies and violent outbursts towards me, our common \_\_\_\_\_ and the \_\_\_\_\_ Police Department. The judge deemed it fit to \_\_\_\_\_ to stay in a home in which the parent of that house was not present in court and wasn't even asked if it was ok with her. As a result \_\_\_\_\_ had to get involved for a second time and found the home to be unfit for \_\_\_\_\_ The Judge never once asked the \_\_\_\_\_ investigator what their findings were, nor what their recommendation was, all she was interested in was whether \_\_\_\_\_ "told" me to file the paperwork, which she insisted happened even though it was clearly stated in the \_\_\_\_\_ that it was "suggested" to me to file the paperwork. When I informed her that they did not "tell" me to do so she basically called me a liar and then said she couldn't find the Motion. When it was brought to her attention that it was NOT stated I was "told" to file the Motion she simply shrugged it off and offered no apology. Instead she turned her anger for being shown wrong on me by yelling at me for absolutely no reason when the stenographer asked me to slow my speech so that she could get it on court record. The Judge admonished me for talking on top of her, yet did not say anything about it prior to the stenographer asking me to slow down. As a result of her so-called ruling \_\_\_\_\_ took custody of \_\_\_\_\_ and placed \_\_\_\_\_ with me anyway. This resulted in extreme embarrassment for the \_\_\_\_\_ and placement in a home that was unfit and now has an \_\_\_\_\_ due to no parental supervision at this home. I am requesting that not only this Judges previous cases be evaluated but that she resigns as of immediately and is no longer to make ANY decisions for \_\_\_\_\_ that are in need of an unbiased and decision based on facts and submitted evidence instead of what seemed to be a personal vendetta against \_\_\_\_\_

*In addition this judge seemed to rush us through without really explaining what was going on to either party in a clear, understandable manner.*
