**ORDER**

The complainant alleged a superior court judge would not give her an attorney and improperly entered a restitution order against her.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

Re: Arizona vs.

POLICE AND TENANT'S FILMS AND TAPES.

Dear Judge

I know what I am doing is different from what I should do, but I don't know what to do and don't know where to go for information. And after my experience with , the one recommending and the thief who got me into this mess by not giving me information at all or deliberately confusing me, making a bad decision sound like the good one, I'm afraid of lawyers.

However, I just saw the tapes today. Please look at them and say I sm guilty of aggravated assault. Three assaulted me, and I tried to get away.

By the way, the tape was bleeped quite a bit when the cops were talking.

Please help!

and never close to having sa record

Re: Arizona vs.

Dear Judge,

Please give me a lawyer or tell me how to defend the Restitution Meeting. I would be happy to start everything at the beginning.

As I said, in short, I owe nothing. I was victimized by .The police were rough and stupid.. I'm and my husband was there and they wouldn't let him come to my aid.

My lawyer hates me because I hate him. The Universe played a joke on me with him. I can't stand guys like that. Their audacity in light of their stupidity blows my mind.

I'm penalized with probation at a month. I get a month from Social Security. I get some from my rental, but not much. I can't afford a month probation. Probation can't help me, and I don't need it. I'm and have tried everything. I've read of journals. I know me. Including my weaknesses. I'm working on getting Mediation into Health. Maybe you can help me there.

Me, female, no record, no kill bugs, no spank or hit, wear T-shirts with my world peace symbol, try to be absolutely honest.

TO MY HORROR, I FIND, THOSE WE THINK WE CAN TRUST ARE BACKED BY LIES AND PLANS IN WHICH THEY CAN ONLY WIN.

Praying, that the unconventional can work, since I know no other direction in which to go.

Re AZ vs.

Dear Judge

It's taken a long time, but I have proof I was set up. I emailed my ex-lawyer, but he has them for valued clients now, I suppose.

Anyway, report says he was going to pay the rent on the way to wherever. It's depositing at the bank. If so, when I came to the door and asked about the rent, why didn't he say, "Here it is."?

Instead, I was led to getting very angry, and he called his mother and said, in lawyer language, "She came into the premises without giving notice, and won't leave the -premises." Then I expect his mother is telling him to call the police because and Mom arrive about the same time.

She may have gone to a doctor the next day, but she had no marks on her from me. And do mothers get wages for helping sons.? He's a grown man.

Also, the policeman described the as "size of a baseball." I ask anybody to looik at a little something that may have been made by false teeth. The tussle was only seconds long, but I got very beat up.

I know this isn't the right thing to do. But I've called all the paralegals and they only want to attest wills and the like. The lawyer quit. Did he agree to cover these expenses?

What is someone like me to do?

Re: Arizona vs.

POLICE AND TENANT'S FILMS AND TAPES.

Dear Judge:

I see my "restitution hearing" is set for a date in I wonder how long I can live with this kind of anxiety level.

Since my lawyer has quit, I hope you will give me somebody, and this is my opening defense. I WAS SET UP. Evidence. report that he had the rent. My answer, why didn't he give it to me. I was riled to the max before he turned on his camera and recorder and called Mom. You can hear the law language. You know the police here there with Mom in nothing flat. Look at the fight between the old lady and and then the bite.

Also, it was pointed out tat nobody every read me my rights.

The trashed the apartment; I had to get new carpeting. I didn't hurt anybody. I don't want money. I only want freedom. I've paid more than enough.

I did not hurt the as everyone calls her. Look at the tape.

All I plead is PLEASE LET THIS OLD LADY ALONE. I CAN'T STAND THIS. Parole people came when I was dying my roots and was in a bathrobe over nothing with a plastic bag over my hair. They looked all around. The lady made it clear that parole was an ongoing thing, and not to expect any special treatment.

Love,
