Disposition of Complaint 14-375

Judge:

Complainant:

ORDER

The complainant alleged that a justice of the peace improperly consolidated her cases and issued incorrect orders.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

She put both cases together after I dismissed one and also let lie about being there when wasn't. Also after passing judgement she then set it aside after months of me not being there and didn't hire a lawyer until after a warrant was issued for him. Also I feel CARS and needs to face the music. The 1st case that was brought was for repairs of the second case was for them stealing my. She dismissed them on the second case too. She I didn't have a lawyer in that on and she sent him the judgement. As I will show she marked nothing. I don't even know if CARS & showed they had been lying so much. I feel sent the judge so much paperwork. She stop reading. Also if see dismissal a case on why did on
