We have appeared in front of Several
instances since The first was involving case
where my neighbor was disputing property lines. We have
appeared in regards to tickets & restraining orders.
In all cases she has neglected to let me plead my case
or ^{give} supporting evidence. My husband and I are not
in good health & due to her denial ~~of~~ my neighbors
have retaliated against me harrasing me & my family
everytime we walk out of our house. Furthermore,
my neighbor almost ran me off the road with their
vehicle. Now Mr. (my neighbor)
is now threatening to my husband's son. My husband
is years old who is on & has
She denied a restraining order against this man who
threatens & harasses us every chance ~~he~~ gets. We
deserve to ~~live~~ ^{live} in peace & he is not allowing it. In
the case of the restraining order against him Mr.
was sitting in the court talking to the judge before we
even entered. When we went into court she just
dismissed the ~~order~~ restraining order request ~~without~~
~~even hearing us out~~ for lack of evidence because she didn't
allow my the time to play the recording of
my neighbor with his threats. She doesn't allow us to
submit evidence towards any case we have brought in
front of ~~her~~. Can you please look into her conduct &
integrity I know that we are not the only ones having
problems with her. Thank you for your time.
