**ORDER**

The complainant alleged a justice of the peace improperly denied her request for a continuance in a protective order proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

COMPLAINT AGAINST A JUDGE

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I initially went to court paid money  
to subpoena witnesses. The rep from  
Court let me know that  
she would mail out subpoenas to  
witnesses. On \_\_\_\_\_ I went into  
court and saw that nothing had been  
done. Rep informed  
me that the staff had gone to  
\_\_\_\_\_ and nothing had  
been processed. Requested continuance

On \_\_\_\_\_ my time requesting a  
continuance due to the mismanagement of  
my witnesses was denied. I could not  
show not one recording or have  
a fair shot at my harassment  
hearing. Therefore, there was  
not a fair shot for justice.
