COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 15-011

Judge:

Complainant:

ORDER

The complainant alleged three superior court judges and one superior court commissioner made improper rulings in a divorce case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to all four judicial officers, pursuant to Rules 16(a) and 23.

Soby: A full investigation into the referenced case

Dear Honorable

My NAME IS

respectfully

request ~~an~~ Complete Internal investigation into
my case that started in

and which is still ongoing after the
divorce decree was sent to me + my ex-wife.
Judge was the 1ST and in this original 1ST

meeting at court he knew about my disability
and stated that this would be streamlined in a
way to elviate any stress on me, which he
completely did the opposite and yes I am taking
him before the Judicial Board of his complete in-
competency in this, then Judge was the

2ND, Judge

was then the 3RD and in

the End was

was the

with. Why when this was a simple divorce
which the only 2 things were the selling of the
house and division of simple Assets is
still going on and later when in

the beginning with Judge was made
aware of the problems with my Ex-wife

having started to Squat in
the residence with no job and started to
execute a modification which is not

What the divorce decree stated which was for the house to be sold and then when we had a teleconference that he then told my ex that the house was a wash. (What do you mean a wash as I have my ^{ex} wife recorded saying that) That is not what the divorce decree stated and now she is still living in this having been told by or ordered by the court that the house to be sold and a court ordered ^{having violated} his first order to sell the house, having then been instructed twice in this is allowing her to live in it and that doesn't allow you to show the house properly (I NEED her out so that I can have proper closure) 2nd when Judge ^{knew} about the assets and how she had lied about her assets and basically did nothing to compel her to fully cooperate with ^{the} ATTY well a month that this should have taken took ^{to} accomplish which then the stock market took a crash which then I lost ^{and that's where} Judge ^{came in on during a hearing} issued me a judgement for ^{which was} for loss equity and ^{for the assets,} which then ^{then filed for} and put that judgement in it, which you can't do under ^{law under non dischargeable Deb!}

which I respectfully request to have that looked at also in this. My big question your Honor is that if was able to Court order the sell then why did not Judge not do that in the beginning which caused me a disabled Vet so much quiet and UNNEEDED stress and since because of his actions and actions of others the money that im out in all of this we need to discuss ~~this~~ this. I've dropped the Case in court with my ex wife because of the appearances and stress this would have burdened me with but that does not absolve you in your treatment to me and against me. Thank you for your timely cooperation in this matter. feel free to ask any questions to me in this.

Sincerely
