Judge:

Complainant:

ORDER

The complainant alleged a superior court judge made improper rulings in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Whomever this may concern,

My name is _____

This letter is in regards to a
County court _____ judge by the name of _____

I am representing myself & I feel
that this judge is manipulating the law in
order to intentionally oppress me & that
I will either sign a _____ plead guilty to
a crime that I did not commit or that I
release my position & allow myself to be
by an ineffective of counsel.

First he has denied a number of my
motions, the last dealing with, dismissing
my Advisory counsel.

At my court date of _____ this judge
ordered that the Advisory counsel assist
me in obtaining my medical records at
County, all this was to be done

by _____ this advisory counsel chose not
to respond to none of my phone calls or ~~assist~~
assist me, so on my court date
he denied the motion & state for me to have
my investigator do this, which he was
supposed to have told me back on _____

Second I had submitted a motion for suppression but I put the wrong word (Dismissal) down so prior to him dismissing the motion I stated this I put the wrong word word down Dismissal instead of suppression he deleted the motion which he has to be doing to all my motions, if not for prosecutive responding he would not have applied the correct remedy & suppress.

Third on same date of _____
made my case complex & set my suppression hearing for _____ almost _____ days a way.

Fourth at this hearing one of the officers I asked a question, the question was the information that is presented in the police report is it actual & true the officers answer was I don't understand the question, would not force the cop to answer the question.

Fifth, I asked for a continuance to subpoena some witnesses, _____ set that continuance date for _____ over _____ days away.
