Judge:

Complainant:

ORDER

The complainant alleged two superior court judges were conspiring to have him murdered in prison and have failed to provide his family with working recordings from his sentencing.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to the two judges, pursuant to Rules 16(a) and 23.
