ORDER

The complainant, naming an appellate court judge as the judge he was complaining about, alleged that the Court of Appeals was not properly handling its cases.

The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

 I feel Court is hiding
 god the complaints. I write complaint about
 the judge. I feel there's a conflict
 in the way they handle in Court.
 They told me Governor office handles all
 complaints. I feel this is not fair to
 citizens why they handling complaints
 in Court. I think we need an
 internal investigation to see how
 they are handling things/cases in
Courts.
