Disposition of Complaint 15-119

Judge:

Complainant:

ORDER

The complainant alleged a city court judge improperly released a defendant in a criminal case and was not competent.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

RE: Hon

Dear Sirs:

Please consider these presents against the above. On _____ as the
at initial appearances, she released on his own recognizance _____ He had been
arrested on _____ including _____ on a _____ in her own home while he was armed
with a firearm. This violation of public order was consistent with her career. She has always been
a sloven, petty, and vindictive. Her knowledge of the law is abysmal, her conduct in court flagrant.
She once _____ a client in court for an afternoon, WHEN HE WAS THE VICTIM, simply because
I had sat next to him. She picked on him for moving his jaw silently, while children ran amok in
the courtroom. I imagine that she exercised a grudge against the prosecutor at initial appearances
in releasing a one-man crime wave back onto the streets.

Regardless of her egregious behavior, she should not be the subject of public outcry, but
rather professional investigation.

Please direct any inquiries to the above address. Thank you for your cooperation.

Yours Truly
