**ORDER**

The complainant alleged a superior court judge's behavior was unbecoming that of a professional judge.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

I have recently been involved in this court and it is the most disgusting display of bravado and mistrust I have ever seen "Judge" is a deplorable human being and her behavior goes against so many ethical standards it is unbelievable. I am writing because she is not familiar with technology and how it can hurt people and even torture them. She needs to be reprimanded and she needs to realize that her opinion is from a judicial background not a medical one. I want to make sure she knows that there are plenty of witnesses to her disgust. I have thoroughly read thru the commission's standards and she is well beneath most of them. Her behavior is unbecoming a professional judge even a lawyer or elected official.
