**ORDER**

The complainant alleged a superior court judge improperly refused to allow him to file any pleadings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

ADMINISTRATIVE ORDER

JUDGE I have written to you many times but you have refused to answer me. you are accusing me of using the court for nothing. Now at this point in my life. you are forcing me to kill myself, you have taken away my rights of being a American citizen. I can not protect my self, I have been ripped off. And the court refuse me my rights to have a fair hearing, your judges are crooked and I have shown you this. But you just look and laugh and dismiss all cases with out me getting a hearing you just dismiss them I have never met you. But some of your judges. Dont like me because I am not gay, like them. due to this. they throw out my cases. I have fought to keep America in good hands. But in Arizona where a lot of NAZI here. there are courts that arent American why. so at this point I am accusing you of being a murderer you are forcing me to kill myself. I have done no harm to any one I help people. I have asked you to dismiss this administrative order but you tell all the court that I can not take out a summons. I am not doing anything wrong I try to protect my self. But you wont let me. AS I SAID I feel you are a murderer. And why have you refused to answer me or let me have any case in court I paid for them and lost all my money. Due to the stress you are causing me it wont be much longer
