**ORDER**

The complainant alleged a superior court judge was biased against him and disregarded his constitutional rights.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

(1) ON \_\_\_\_\_ At My suppression Hearing, I Argued That  
No officer Had Admitted To Conducting A Search On My  
Vehicle. The Search Was Conducted On My Vehicle Without  
A Search Warrent. Three Detective's Were Present At  
The suppression Hearing To Explain The Reason's For  
The search. All Three Detectives Testified They Did Not  
Conduct The Search On My Vehicle. When I Questioned  
Detective \_\_\_\_\_ The Thired And Last Detective  
To Testify, Who Also Testified He Did Not conduct  
The Search on My Vehicle, He Later committed  
Perjury By saying "

" I Than Pointed out  
Detective \_\_\_\_\_ 'perjured Testimony To Judge  
Judge \_\_\_\_\_ Than committed Perjury Himself By  
stating In His Ruling, The \_\_\_\_\_ Police Department  
Conducted A Valid Search on My Vehicle. This Is  
Completely Impossible Fact Being All Three Detectives  
At The Hearing Admitted They Did Not conduct The  
Search On My Vehicle. Judge \_\_\_\_\_ violated Rule 1.2

Name:

Judge's Name:

Rule 2.11 Disqualification (A).

The Judge violated these rules under the Code of Judicial Conduct (Rule 81).

Judge failed to promote confidence in the judiciary, based on the judge conduct I have so far lost confidence in the independence, integrity, and impartiality of the judiciary. Due to the outcome of the suppression hearing it is obvious the judge did not rule impartially and with fairness. Judge

failed to uphold and apply the law. It is also obvious judge is bias and prejudice against me. Judge

has been influenced by the states attorney by fear of criticism. I believe judge violated the above

code's by denying my motion to suppress, even after no officer came to court and admitted to have conducted the search on my vehicle. All

officers stated they did not conduct the search on my vehicle. Although officer stated he did not conduct the search, he later claimed he imagine he grabbed or items, at that time

officer committed perjury. I pointed this out to judge, but he ignored me, and then committed perjury himself, by stating

police conducted a valid search. This is false fact being no officer admitted to have conducted the search of my vehicle.
