**ORDER**

The complainant alleged a superior court commissioner made an improper ruling in a family law case and engaged in improper ex parte communications with one of the lawyers involved in the case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Sir; Judge  
heard my CASE-AT  
the time, she heard testimony from  
my and myself, my  
also filed a restraining order  
against me, my testified  
that I sent threatening  
letters. This was false. I never  
sent <sup>House</sup> any of these. put  
me out by doing this, the Judge  
gave another restraining order against  
me again.  
The Judge later told me that  
was going to give me the home

She did not! The Judge was  
 worried that the ANIMALS would be  
 put to sleep. I asked for one  
 dog, In my papers  
 she gave me instead, I  
 wanted, the dog. I do NOT  
 want them to be put to sleep.  
 My has ANIMALS at the  
 home. They range from years  
 old. Not fair to them or me. Knew only was  
 The Judge gave me to  
 pick up my furniture and stuff.  
 The attorney will not answer her  
 phone. Lawyer  
 has a answer phone which  
 does not have on. I will call the police  
 to help me. I have to make an appoint  
 ment to obtain my stuff.  
 Judge gave my the  
 home, the ANIMALS AND more control  
 still over me. I thought I was free of  
 My. Still has control.

Judge and Lawyer  
were talking to each other when I went to  
the bathroom. I think this is illegal isn't  
it, my year old friend telling me  
I was to receive only the home  
is worth is  
We have a car, was worth  
and I put down payment and I paid on  
this car for almost years, Judge gave  
that to also. I should have received  
gave me For an My friend  
was setting behind us. She heard what  
they talked about. I was to receive  
nothing more. Well I got  
but she did not say where it should come  
from, my friend kept telling me that.  
Before the verdict was sent to me, I wrote  
a letter stating that. Ms.  
Read the letter and put her initials on this  
letter to affirm that the letter was wrote before.  
How did my friend know that I was to receive  
and nothing more. I have been treated  
unfairly, I feel screwed. "Bad, Bad,

I should have received for the  
 home, ~~for~~ for the car. for the  
 for a total of . The Attorney  
 and the Judge. talked about  
 my future. I demand to be treated right,  
 and I WANT JUSTICE NOW. I WANT THE  
 home to be vacated and sold. Judge

should not judge this case any  
 more. I wonder what the press and T.V.,  
 ABC, NBC, CBS would say, about a little  
 downtown, that has a Big Boy mentality.  
 I slap your back, you slap mine. When the  
 Judge said she was going to give me the  
 home. and did not. Lawyer. Should  
 be disbarred. She is not going to answer  
 her phone, so that I will lose my furniture  
 and stuff. Why did Judge only give me  
 to pick up my stuff. Contrived  
 By lawyer and Judge.

I also gave  
 her list of bills! She does not acknowledge  
 that. I WANT JUSTICE. The Judge and Lawyer  
 are friends, is this justice? ?? Too much together

Respectfully
