**ORDER**

The complainant alleged a superior court judge improperly refused to force his attorneys to provide him with his discovery in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

COMPLAINT AGAINST A JUDGE

Name \_\_\_\_\_

Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

My complaint is that this judge will not force my lawyers to give me my full discovery. I have filed a motion to have this done yet did not get nothing nor did he respond anything to my motion. He will not let me speak in court. He is rude & intimidating to me. He has told me I cannot fire my legal team which is another whole issue I'm dealing with. He told me if I didn't like to cooperate with them then he would have court without me. I am ok with this. But now he has officers coming to my room telling me if the judge court order then I will be forced to fully contradicting what he told me in the first place. I try to ask him how many years do I have to be here before I get all my discovery. I'm told yet I don't know how true this is. He sends Rule 11 doctrines to my room & they try to force me to talk & when I don't they go tell him I'm not cooperating yet he granted a motion for \_\_\_\_\_ on

contradicting things.  
It's one thing after another. Here is an example of the few papers I have got in the last \_\_\_\_\_ which I can't even read or see. It is a true insult to my intelligence & I want another Judge's Grievance Granted.
