**ORDER**

The complainant alleged a superior court judge improperly terminated his parental rights.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

after I was put on  
 I didn't have the means to go  
 visit my I was sick and  
 I have medical proof. The judge also  
 stated I never completed my  
 with which is false. I have  
 provided proof from I recommended  
 by stating I was not in need  
 of counseling or any more  
 because I had passed all my  
 for He also stated I  
 knew of the abuse of  
 and did nothing about it. which was  
 false. In my told  
 me she was so I  
 called the and the same  
 day. I have a relationship with my  
 and the judge stated I didn't  
 based on a statement made by the  
 mother who never passed a  
 with ~~the judge~~  
 The judge should be fired for abuse of  
 power for his personal gains, whatever they  
 may be, I plan to take this to a federal  
 Judge in the future. I spoke to my  
 several times a week and the report  
 shows my judge is knowing this who I was and the  
 lied to break up.
