Disposition of Complaint 15-213

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge, superior court commissioner, and a pro tem municipal court judge violated her rights.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judicial officers engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officers' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judicial officers did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.
