**ORDER**

The complainant alleged a superior court judge was prejudiced against her and improperly denied several motions in a criminal case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

When I went to court on my co defendants  
asked for a speedy trial, on the the lawyers put  
in a motion for allegation of multiple offenses not committed  
on same occasion, motion to sever from co defendants,  
motion to suppress all evidence detained in violation  
warrantless arrest, notice of offenses and request  
for notice of rebuttal witnesses, motion for an  
omnibus hearing, and motion to dismiss council.  
Me and my co defendants put in a lot of motions  
and they were all denied. I feel its racially motivated.  
I seen other individuals that's white come in front  
of the judge and grant they motions, but when an  
get in front of him he denies them  
all the time. I feel not only that but the judge  
been favoring the prosecution. I and my co  
defendants are not being treated fair, getting a  
fair hearing, and a fair trial do to the judge decisions  
on not filing none of our motions. If the prosecutor  
file motions he always grant it to her. Its like she  
knew to put us in his court room because she knew  
we wasn't going to get treated fairly. You can ask  
every lawyer on this case and they will tell you  
the same thing. If you look at the case they should  
be seperated cases because they didn't get accuse of
