ORDER

The complainant alleged two superior court judges improperly denied her motions for custody of her daughter.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judges' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. In this courtroom they filed charges against me, (the judge) has prohibited me from having any contact The judge is taking a case with false information, for which I have sent evidence. The judge is not aware that my has sworn under penalty of perjury, that she received and she omitted the true on my papers and she's named Mr. I don't know who that is (?) [sic]. She has the temporary custody that Mr. signed with a termination date and time; I have the papers.

I've been asking to have back and they won't accept anything. Judge denies all the motions I submit, I ask and call and I never get served with any papers, and they give everything to

I don't understand why the discrimination. The State of Arizona hasn't let me see my has cut off all communication with my just like this lady judge has.

I've submitted all the motions myself going to the library, but they reject everything. I don't understand how they have a case of temporary guardianship with names. In they have name, and Mrs. put another name.

Sirs, please investigate this. I wonder whom I gave to. And this judge with such power of decision, to cut off everything with when I haven't lost my parental rights, which were given to me by from court. I have a that proves this, I've sent it to the judges and they've sent it back to me.

I want back and I request that you please investigate my case; I have any evidence you ask of what I'm talking about. God willing, you'll review it, and you see all of the lies they all are saying.

I'm mother, please, I want by my side; I already paid for my mistake, and it's not fair that I get discriminated just because I don't speak and I cannot pay for an attorney now. I'm now asking you to help me. I'm a desperate mother, thank you.

gave to in He accepted my call and he signed the termination of
the of Mrs. which was ending on
at And I'm tired of asking to have but they won't give her back to me.
I'd like for you to look at the name, which is the name I have on all the papers, it's
and the aunt the temporal guardian, Just now that I've filed
again the motion to terminate the Temporary Guardianship, Judge
opened another case of domestic violence. Mr. whom I've also asked to
terminate the motion, is denying everything to me, and he says that it's to late. He's also
saying that I've given my consent for Ms. to continue with the Temporary Custody,
and this is a lie.

I'd like to know who signs the custody year after year because I'm not [sic], they say I
haven't helped and that is a lie, I have evidence of everything I've paid for
when they come, I've never neglected Mrs. forced me to study a
religion as a condition to see has a and she doesn't allow
to speak to either. The judge has now prohibited me from having copies of any
paper. Also, Mrs. through her attorney, wants to terminate the guardianship, that is
my parental rights, which were never taken from me, but I don't know under what charges,
I complied with everything and now they won't accept my request that returns
to me.

Please help me, and I don't understand why this continues, if
it had a termination time. I'm alive, I haven't died; and to ignore me and discriminate me
this way, and with so many lies, which I can prove, I have all the papers that you may ask
me. Please, listen to me and open an investigation. Help and I reunite
once again. Blessings, thank you.
