Ongoing problems with Court

Case
Judge

My vehicle was stolen a year ago,
I filed a small claim in AZ; that was a joke.

My costs got larger and larger.
I filed a case in Court.

What a nightmare.

I began this journey with Judge had to file a complaint;
would not honor his own words.

So I filed a complaint and received notice of a new Judge;

The case is more of a nightmare.

On I filed an application for default against the Defendant,
for stealing my car, my money, new and old parts.

I filed numerous times with the court that the Defendant did not respond.

I requested a default judgment over and over from the court since the filing.

There was to be a hearing on that hearing did not occur.

During the process I have waiting on Judge and to
go on vacation and the Defendant and his family while I have suffered extreme
losses.

While calling the court yesterday I found that set a hearing for

That still has not been received in writing from the court.

I am a victim of theft from the Defendant but also from the
Court.
