**ORDER**

The complainant alleged a justice of the peace improperly sentenced her in absentia, provided her with the wrong court date, and made inappropriate comments to her in court.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission approved sending the judge an advisory letter advising him to thoroughly familiarize himself with the applicable rules of criminal procedure so as not to violate Rule 1.1 (Compliance with the Law), and to refrain from viewing social media postings that could lead to inadvertent ex parte communication and/or acquisition of factual information outside of the record so as not to violate Rule 2.9 (Ex Parte Communications). The complaint is dismissed pursuant to Rules 16(b) and 23(a).

Commission members Anna Mary Glaab and J. Tyrrell Taber did not participate in the consideration of this matter.

This is a very difficult this to do, I grew with a father wo was Growing up I came to believe that the Law was perfect. This Justice has all but destroyed that belief. My family and I are embroiled in a nasty law suit with our neighbors and the reigning HOA. So nasty that I have recived MULTIPLE tickets. Attached you will find the legal documentaion, A letter from a spectator in court, letter from my attorney, vet records from when they impounded my dog to have her destroyed and also the narrative of my complaint.

This "Justice" Sentenced me when I wasn't there, I was given the wrong court date and even the documents I was able to get from the court are not dated for the day of court he said I was FTA it was filled out the day before. All said and done he had me FTA the day before I "was" supposed to be in court for sentencing according to his Minute Entry but I was told on the Phone while my Attorney was present that my court date was the \_\_\_\_\_ not the \_\_\_\_\_ and I called the \_\_\_\_\_ to confirm. His clerk \_\_\_\_\_ is who I talked to.

I am attaching all the documents. This \_\_\_\_\_ has violated my 5th and 14th ammendment rights, 42 USC 1983 and Title 18 section 241 and 242 rights.

I am not an attorney I have been defending myself however this Justice and the county Attorney \_\_\_\_\_ will not be happy until I am in jail and my \_\_\_\_\_ is dead. The Justice words to me were " \_\_\_\_\_ ." He also said to me in court. "

He should not be a allowed to preside over people he has no regaurd for they're rights.

Thank you for your time.
