This judge seemed fair, but always sarcastic, until the last appearance before her, she flat out lied about my charges and had forced me to stay away of the apartment complex where all my belongings were and that I had to find someone else to go pack my things, load them and haul them for me and put a no contact order on to stay away from my thieving, trouble making liar of a manager. I'm a _____ all alone down here in _____ . No _____ , and _____ , with _____ from a car _____ . Trying just to survive on _____ par month. At all the pre trial and hearings she resonated that I better never go near the apartment, or manager again.

" _____ ?"

The _____ day time past, the manager would let any one I sent was some excuse not to let me get my things. On the court appearance I had just went to _____ against the apartment complex and the manager stated to that judge that there was _____ and _____ , so I asked this judge why she forced me as part of my recognizance I was not to to return there.

Heres is a heart break. I lost everything I ever owned, and so much _____ , that was kept by the landlord because at that court hearing the judge blew up at me when I insisted she told me that _____ , now she says _____ and that _____ . And I'm the one who needs anger management? I want this judge held accountable for her perjury, lying to me a helpless defendant, causing financial, and mental anguish, and the _____ she be removed from the bench!

You don't have to take my word for it. Read the transcript or listen to the docket on audio. Its plain as day. She lied, made up her own rules, and should know better! It cost me everything
