COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 16-039

Judge:

Complainant:

ORDER

The complainant alleged a municipal court judge, since retired, improperly sentenced her and failed to have her brought to court from the jail.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23(a).

Commission member J. Tyrrell Taber did not participate in the consideration of this matter.

sentenced me and
 when I requested an attorney she
 got very mad and said I already
 had law firms and attorneys.
 They were and not
 interested in doing their job properly.
 Everytime I would like a post conviction
 relief in Court they would
 send it to Court. It was to be
 heard in Court. I knew
 I had all those and
 and still kept me in jail. She
 denied my rights by not having me come
 to court from my jail cell for we
 could discuss instead
 from the come to my cell and
 lied to me stating that said I either
 surrender to the or the police
 would so I
 I was having
 and received no medicine. I was
 denied being able to discuss my situation,
 then ordered
 I was set up and
 deceived. There is alot of corruption going on
 here between the judges and DA's.
