Disposition of Complaint 16-075

Judge:

Complainant:

ORDER

The complainant alleged two superior court judges, one of whom is now retired, failed to enforce prior court orders in a dissolution proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judges' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety as to both judges, pursuant to Rules 16(a) and 23(a).
